

Small decrease in the number of Portuguese entries in Norway in 2019

2020-06-09

According to Statistics Norway data, in 2019 432 Portuguese entered the country. That statistical institute counted a total of 44,570 entries of foreigners in Norwegian territory, with the Portuguese representing 1% of this total. +

After the growth that had been recorded in 2018, the number of Portuguese entries in Norway decreased again (-4%), although the number of foreign entries increased for the first time in seven years (+0.4%). Portuguese emigration to Norway is a recent phenomenon, with a peak in 2013, following accelerated growth since 2010. However, Portuguese emigration to Norway still represents a very small fraction of immigration in this country (1%).
